Teachers Get Pay 'Surprise'

BY BEV SMUTNAK

CREST HILL -- Although District 88 Chaney-Monge School board adopted a three by four index salary schedule for their teachers next year, the question of whether the teachers accept or reject the proposal remains.

Settlement of salary negotiations between teachers and the school board hit a snag when the board nego-

tiations team "surprised" the teachers and announced an addition of a time clause. It would bind the teachers to the new salary agreement for three years. This was later reduced to two years.

The board negotiations team proposed a \$7,200 beginning salary with ten steps.

After ten years of service, a teacher would receive \$9,250 annually; after 30 years a teacher would receive \$10,-

360.

Other provisions are a \$20 per house reimbursement pay per semester hour for graduate work; mandatory hours to stay the same; 180 days maximum sick leave limit; Blue Cross insurance plan for which the district would pay a maximum of \$15 per month and the 4 per cent index to remain in effect for three years.

It was the last statement

that set off the discussion.

E. J. Sovia, a teacher representing CMTO (Chaney-Monge Teachers Organization) told the board a three year stipulation was never discussed. Mrs. Lois Morse emphatically agreed with Sovia. She added that this was a complete "surprise" to them.

Sovia said the teachers originally wanted a three by five index but conceded to a

three by four for this year. "If we had known you would put on a time limit we would have held out for the three by five," he said.

Dan Barone, board president, said he had been against the index idea from the start and asked the teachers, "why have an index?" He felt that the board had been sold on the idea of index as a way to avoid long, arduous negotiations each year. With a change of

base pay possible each year the teachers would still be able to get raises.

CMTO held the index was good and a fair way to procure equitable raises all the way down the line for all teachers. However, they added by putting a time limit on the contract, the four per cent index was no longer negotiable.

They agreed four per cent

Approve Sewage Bonds

Lockport voters Saturday passed a \$750,000 general obligation bond issue for the mandatory expansion of the sewage plant. Issue passed with a vote of 456 to 128.

Mayor George Nordstrom when contacted, stated that he was "tremendously happy and elated". He said he wished to thank all those who worked and voted for this project. He stated that he would continue "working hard" for those things necessary to the growth of Lockport.

Bond issue passage gives Lockport a chance of receiving a \$220,000 federal grant, which would either cover a portion of the project, or help start a program of separating the combined sanitary and storm sewers in the older sections of Lockport.

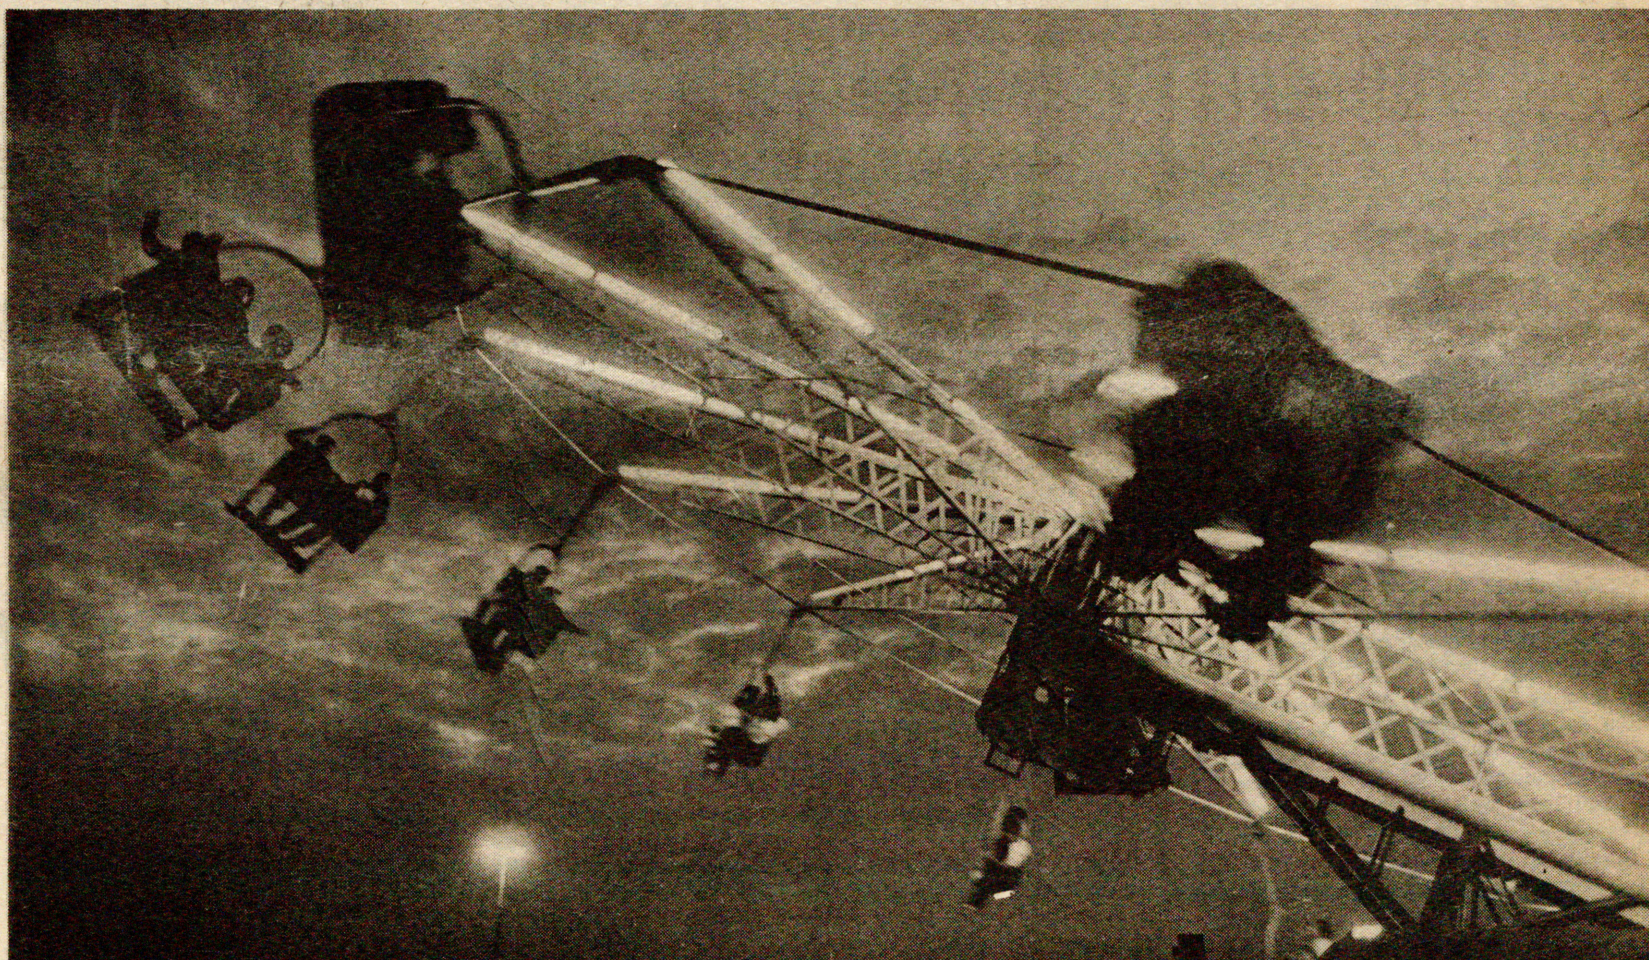

Had the bond issue not passed, the city could have been ordered by the state to finance the program through issuing of revenue bonds, which, in the long run, have more than doubled the present water and sewer rates.

Park District Plans Annual Pioneer Week

LOCKPORT -- Week of June 23-27 has been designated as Pioneer Week for the Lockport Park District's summer playgrounds. Children will learn how the ancestors moved west to Illinois, their hardships, dangers and Indians.

Special event of the week will be campfire program, which will be held at 7 p.m., June 26 at Dellwood Park. Children from the 13 playgrounds will present skits. Group songs will also be sung.

Tournaments for the week include horseshoes, (singles and doubles), croquet, and ringtoss.

FUN AND EXCITEMENT was demonstrated over the past weekend in the village of Lemont, at the annual Teen Carnival. The week-end event, sponsored by the Lemont Teen Club, is held during June of each year. Proceeds

are used for the youth of the community. Rides, games and entertainment were provided for those of all ages. (Graphic Photo By Pat Callahan.)

Begin Lemont Hospital Fund Drive

LEMONT -- a hospital drive to raise \$4,500,000 for the Joliet Regional Hospital Development Association is now underway in the village of Lemont.

According to the general campaign chairman, Robert J. Herschbach, "A community is only as strong as the health of its citizens, for only with sound minds and bodies and adequate protection to keep them sound, can a group of people reach their greatest usefulness and achieve their highest potential. The area's general hospital, Silver Cross and St. Joseph's, are as essential to the community life as the local police and fire departments, the schools and the churches. Modern hospitals of adequate size, properly equipped and expertly

staffed, definitely raise the area's community standard of living."

Silver Cross and St. Joseph's Hospitals have joined together in the project of raising money to help provide the new and expanded facilities needed at both hospitals. The overall program will cost \$10,777,547, and a minimum of \$4,500,000 is needed from each of the surrounding communities, through public pledge subscriptions.

To help bring about the expansions of the hospitals the Joliet Regional Hospital Development Association was formed. The not-for-profit organization has made surveys, recommendations and plans for the hospitals. Purpose of the group of non-paid volunteer citizens of

the community is to develop the most economical and practical means of meeting the present and growing crisis of hospital care.

According to Herschbach, "It is necessary to expand both of the hospitals because of the fast population growth of this area. Between 1950 and 1960 we grew 38 per cent, while from 1960 to 1968 we increased another 15 per cent. By 1975 we will go up another 32 per cent and before 1985 we expect another increase of 52 per cent. This means an increase of 104 per cent to 209,000 in the area; better than twice the present population. With the additional population have come a good economic climate however this has brought the hospitals the problems that develop

a growing demand for coronary care."

The drive has begun with individual letters being sent to the business men of Lemont. Individual contact will be made at a later date in the program.

Dist. 92 Band Unanimous 1st; John Popp Cited

LOCKPORT--The Lockport District 92 Band has received unanimous first place ratings in parade and inspection contests.

The band performed in the Virginia Beach National High School Band Contest June 16 to 19 in Virginia Beach, Va.

John Popp, drum major, was awarded as most outstanding drum major in the contest.

Jack Williamson, band director, reported "This is the

first time a grade school band has been invited to participate in a national high school band contest."

District 92 was one of the only bands to be unanimously rated first in any category.

The band won national recognition as one of the finest junior high school bands in the United States for their achievements at Virginia Beach.

Contest judges had favor-

able comments about the band's excellence.

Leonard Falcone, director of bands at Michigan State University, said "their playing was clean and solid, marching was precise and had good uniformity." He went on to say that "the composite of the band was quite good, the intonation was very good, and the technique had considerable facility and precision."

Roy Wood, president of the

Florida Music Educators Association, said, "the field routine had a very effective opening and was fine work for a young group. In the parade competition the band had a fine marching style and good sound."

They are a very mature group for a junior high school band and gave a good musical performance."

Regarding the sightreading contest, he reported, "It was nice reading. This is

and outstanding young band. They are reading music that is far beyond their maturity, are alert and well taught. They do some amazing things, and have an outstanding conductor."

Kenneth Swor, director of bands at Louisiana University, stated, "They are a very fine, outstanding junior high school band." He later told band members, "I hope each of you realize how fortunate you are to be a mem-

ber of this band under such outstanding leadership."

Of the parade competition, he said, "they had nice dynamics which was outstanding for a junior high band. A good job. You are very musical." In speaking of the concert, Swor stated, "the band has overall good tone, was a very outstanding group and was to be congratulated."

Peotone Site Is Suggested

FRANKFORT - Another site has been proposed for Chicago's third international airport--this one dubbed the Peotone-Beecher site, comprising about 50 square miles (32,000 acres). The site is between the Illinois Central Railroad on the west and the Chicago & Eastern Railway on the east, with the north boundary three miles north of the Peotone-Beecher Rd. and the south boundary mile south of the Will-

Kankakee county line.

A brochure and a letter, signed by Everett E. Klipp, of a grain company in Chicago, has been mailed out to the village boards of neighboring communities.

Glenn Warning, Frankfort Mayor, announced the proposal at the recent village board meeting. Mr. Klipp had indicated he would appreciate an endorsement of his proposal but the Frankfort board members took no action.

Last year when the Green Garden site was being discussed the board didn't go on record as definitely approving such a location but did agree that it would rather the proposed airport be located in Green Garden than immediately east of Frankfort.

From conversations with various people, including officials, feeling appears to be for another international airport. It would be a very good thing--convenient too--someplace south of Chicago. People are saying, but they add no one wants it right next door.

The chamber of commerce of Kankakee and Joliet are strong advocates of the Green Garden site. It is not close enough to either city that the noise from jets taking off would be a problem, observers say.

There is an illustration of the cover of the brochure sent out by Klipp, showing the suggested runways at the site. If this drawing is approximately correct Frankfort and Beecher would be northwest-southeast runway, and Peotone and Manteno and Crete and Steger would lie in paths of planes using the southwest-northeast runway.

It seems certain the location of the third airport will be decided at Chicago, where Mayor Daley wants it built in Lake Michigan.

New Lenox Police Have New Radar

NEW LENOX - Motorists who have a heavy foot are advised that New Lenox police have a new radar.

The instrument that neatly clocks the speed of a vehicle was purchased by the village board. There were three bids.

One was \$1,200 and the other two were each \$1,190, Police Chief Joseph Wajchert gave all three instruments a tryout. Purchases is a radar from Central Police Equipment, Janesville, Wis. for \$1,190.

Taking Steps To Solve Dog Problem

FRANKFORT -- The village board heard a complaint by parents of a child living in Connecticut Hills at a recent meeting. The child was bitten by a dog running at large, parents said. The animal was unlicensed and the fact had been reported, parents said.

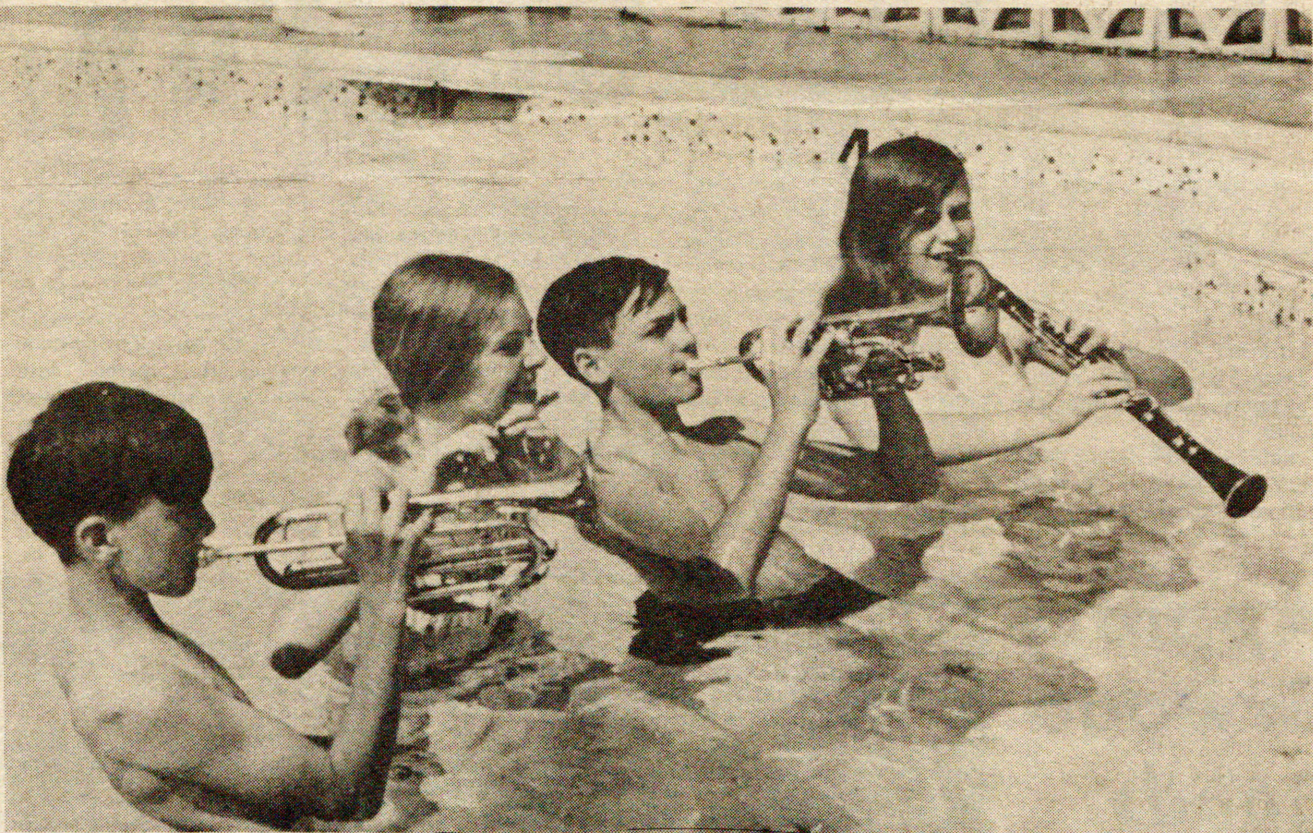

Frankfort Police Chief Ted Massey says that the department is doing its best to cope with the dog population.

"For the record," the chief says, "I personally have been working on the dog problem for quite some time. I am in the process of asking for a dog ordinance that will be effective in the control of dog owners. I am asking for a tranquilizer gun that will enable us to catch dogs running loose."

"The village as of this date has issued 224 dog licenses, which is over 100 more than has ever been issued before. At the time of this board meeting at which the complaints were made all dog owners of record had been called on the telephone and a letter prepared."

"Since the deadline set in the letter I have ticketed 10 dog owners that have not complied with the license requirements. This has been done, without raising the ire of the people, on a cooperative basis."

"This is my way of getting a job done. I feel it is more agreeable than a lot of hurried action, belligerent townsfolk, and not a complete result when finished."

A CRAZY WAY TO PLAY -- Clowning around and visiting Virginia Beach, Va. go hand-in-hand. Left to right, are the officers of the Lockport District 92 band in the pool during a break at the Eighth Annual Virginia Beach Music Festival June 16 to 19. Brian Tinman, secretary; Lana

Ordman, president; Karl Bahnick, vice-president and Danielle Scott, treasurer. Jack Williamson, director of the District 92 band brought 100 people, band members and chaperones, to the festival.

Proposed Bank Improvements Told To Lockport Library Board

LOCKPORT -- William Sabo, president of the First National Bank of Lockport, told members of the Lockport Township Library Board about planned improvements of the bank, at the board's June 17 meeting.

Sabo discussed plans to add three drive-in windows, one to be placed parallel to the present drive-in facilities which exit off State St. The other two will exit off Eighth St., one lane to turn west at the exit, the other to turn east.

Board members were concerned with safety of library patrons.

Sabo stated that the bank would post a guard on the premises during the bank's peak hours, Friday evenings and Saturdays.

Board member Jean Jur-

ic reminded Sabo that there was a gentlemen's agreement between the bank and the library, that library personnel and patrons could use the bank parking lot. Sabo reported that he was not there at that time, and asked whether the agreement was in writing. Mrs. Juric replied that it was not a written agreement, but was held to be a gentleman's agreement. Sabo asked that the lot not be used by library personnel during the bank's peak hours.

Anticipation Warrants

Board members approved selling tax anticipation warrants in the amount of \$13,300. Letters requesting bids will be sent to several banks.

Treasurer Bernard Havachich reported that the audit had been completed, and reminded the members that

the treasurer's bond must be renewed.

Discussion was held on the number of books needed for the Crest Hill Branch opening. Mrs. Mary O'Broyle, librarian, reported that there will be no problem in having the necessary number of books to meet the legal procedures for opening the branch. She reported that the circulation of books to date at the main branch totals 10,798.

Librarian O'Broyle requested permission to purchase a new typewriter to be used at the office. She reported that she had procured prices on an Olympia nine-inch carriage at \$396, but could get a nine-inch carriage Remington Rand for \$260. For an 11-inch carriage on the Remington, the price would be \$297.

Board approved her request, stating that she buy either the nine or 11-inch carriage Remington.

Discussion was held on closing the library on July 5, giving the personnel an extra day off. Discussion was also held on closing the library Saturdays during the month of July, and the first two weeks of August. They approved this change.

Due to the closing on Saturday, story hour has been changed to each Friday at 1 p.m.

Discussion was also held on the changing of the lettering of the Crest Hill Branch Library, which presently reads, "Crest Hill Public Library", to "Lockport Township Library, Crest Hill Branch". Board members will check into this matter.

LEMONT JAYCEES recently sponsored a "Keep Lemont Beautiful" coloring contest in each of the grammar schools. Students in the first through third grades competed. A \$3 cash prize was awarded to each of the winners who are

(l to r) Kimberly Ramsey, Vicky Gwenda, Mary Beth Hartwig, Jane Bromberek, Karen Kopping, Corey Splitt and Joseph Malak. Absent when the photo was taken was Susan McGuire and Bryon Moravek.

Romeoville Trustees Acquire More Land

ROMEOVILLE - Board members voted to acquire 68 acres of land Wednesday evening. The land is west of Lake Shirley. Mayor John O'Hara said negotiations for the wooded tract of land are in progress with the owners, Hayes and John Alexander.

Robert Davies addressed board members on a proposed car wash installation for the east side of Route 53 south of 135th St. Davis indicated willingness to be annexed to Romeoville. Village attorneys and those for the applicant will meet on details.

Court procedures on traffic cases will be heard the same day, and will not be required to return a second time as in the past. Such delays have been termed unconstitutional.

Alexander Construction Company requested authorization from the board to

change a 30-foot easement to 15 feet, at the site of the new bank. Change has been asked because the larger easement is not necessary and the bank building can be placed to better advantage on the site. Mark Lovejoy, engineer, was asked his professional opinion and said it met with his approval.

Three resignations for recreation board members were accepted with regret. The Reverends Robert Wegehof and Arthur Maher resigned because their work schedules no longer permit them to serve and George Dudney is moving from the area.

Motor fuel tax funds of \$7,549, were received for May. Sales tax money totaled \$3,550 and traffic fines from the office of Sam Paul were also received in the amount of \$1,716.

Bids for bituminous materials and salt are being re-

quested, opening of these will be on July 23, at 10 a.m. in the Civic Center.

John O'Hara submitted a written document confirming his previously stated intention of contributing his salary to the youth center.

O'Hara appointed Bob Phillips of 606 Montrose Dr. to the recreation board, Harry Johnson of 135th St. and New Avenue and Ted Pruitt of 601 Fenton Ave. were named to the police pension board. Eugene Ennis of 507 Dalhart will fill a vacancy on the library board.

John Veeninga, trustee and chairman of the ordinance committee set the meeting date for his group as the second Wednesday of each month at 7 p.m. in the Civic Center.

The next meeting will be July 2, at 7:30 p.m. in the Civic Center.

N.L. Water Project Hits Snagg --No Bond Market

NEW LENOX -- The village of New Lenox is looking for a buyer of its \$1,200,000 sewer and water revenue bond issue.

At the meeting of the village board last Wednesday night Mayor Joseph Hartung read a letter from Colombian Securities releasing the village from the agreement under which it was to sell the bonds to that firm.

There is no market for the bonds at the present the firm told the village, because under Illinois law a governmental body cannot pay interest greater than six per cent on bonds. As the market stands now no investor will look at a bond not paying more than six per cent.

Colombian Securities told the village board that it was at liberty to find a buyer. Officials of the village are busy trying to find buyers.

The main project is a central water system. New Lenox

property owners either have their own wells or share a well with neighbors. Comparatively few residents have been getting water service from a private utility firm.

Growth has made a central water system necessary officials have been pointing out for several years. A sanitary sewer system was built about nine years ago. There were plans drawn then for a water system but the village eliminated the water plans because of the cost.

Ranks In Top 20

LOCKPORT -- Lewis College announces that three young men from Lockport and one from Lemont ranked in the top 20 seniors out of 312 graduates.

Br. Eugene Ferretti, of 100 DeLaSalle Dr., Lockport ranked in second place with a grade average of 3.89 with a Physics major.

Theodore Dastyeh of 534 Czacki St., Lemont ranked as number 10 with a grade average of 3.56. His major was in Biology.

Br. Michael O'Hern of 100 DeLaSalle Dr., Lockport was tied for 14th place. He had a grade average of 3.52 with a major in history.

Gerald H. Rodeghiero 1612 Madison St., Lockport took 16th place with a grade average of 3.48 with an accounting major.

Twentieth place was earned by Richard J. Sluski of 1015 McKinley St., Lockport with a grade average of 3.45. His major was in the field of chemistry.

Named as commander was William Rylands; Senior vice-commander, Gene DeOca; Junior vice-commander, Gene Ferrone; finance chairman, George Wise; chaplain, Ernest Seaton; and sergeant-at-arms, Lee Battles.

Ted Pruitt was named as publicity officer for the coming year.

Legion Elects

ROMEOVILLE--Hampton Park American Legion Post 1261 recently elected the following new officers for the 1969-70 year. They will take office during the July 8 meeting.

Named as commander was William Rylands; Senior vice-commander, Gene DeOca; Junior vice-commander, Gene Ferrone; finance chairman, George Wise; chaplain, Ernest Seaton; and sergeant-at-arms, Lee Battles.

Ted Pruitt was named as publicity officer for the coming year.

\$60. The customer must also post a deposit of \$25 to cover water bills.

In the case of building or homeowners who have meters located inside, such meters can be equipped with new heads so they can be read from outside. Cost of conversion is \$20.

Formal take over of the Community and Lincoln Meadows parks is slated for Aug. 4. At that meeting of the village board a 99-year lease for the park properties is to be executed. The price is to be \$1. Meanwhile, operation of the parks remains a joint venture by the village and park boards.

At the request of the park board the village board has increased its appropriation for park purposes from \$2,500 to \$2,900. The additional \$400 will be applied to providing a new vinyl surface for the tennis courts. The treatment is costing more than first anticipated.

Village Attorney August Santoro was instructed to write Jake Guth, 253 Maple St., informing him that a fence at his home was above the height permitted by the village.

Trustee Robert Dean, police commissioner, recommended that the Police Training Institute of Champaign-Urbana, an affiliate of the U of I, be retained to conduct a survey of the Frankfort

police system and suggest improvements. The board approved. The survey will be made in August. It will cost about \$1,200, according to Dean.

Milton Bettenhausen, who was named building inspector several weeks ago, was appointed last week as village civil defense director. He also is zoning officer.

At his request a new procedure will be followed in scheduling hearings by the zoning board of appeals. Petitions including the legal descriptions of properties involved, have been prepared by the village attorney, who also arranged for publication of required notices of hearings and sent copies to zoning board members.

Under the new arrangement petitions and notices will be prepared by the zoning board, which also will arrange for publication of

District Plans Oil Painting

LOCKPORT -- The Lockport Township Park District will provide oil painting instructions to advanced art enthusiasts. Two eight week sessions will be offered beginning July 1.

The afternoon instructional session will be held from 2 to 4 p.m., and the evening session from 7:30 to 9:30 p.m. in the Lockport Youth Center.

Fee for the instruction will be \$20 per student. Classes will be limited to 14 students, with a registration on a first-come, first-serve basis. Registration will be taken at the Park District office, located inside Dellwood Park.

For further information contact the Park District at 838-1183.

Member Record

ROMEOVILLE -- Hampton Park American Legion Post 1261 has once again recorded a membership gain. Each year, a membership drive is held when they attempt to exceed their previous years membership.

Last year their membership was a total of 191 members. This year they upped it to 193, an addition of two members.

Club membership chairman, Ted Pruitt would like to thank each member for their help in reaching their goal.

the notices.

Robert Hamilton, village engineer, reported it would cost about \$1,200 to purchase materials to improve the sewage treatment system in order to meet all requirements of the state water board. The village will have to chlorinate the polishing pond and will have to perform additional chemical tests.

A grinder to dispose of solids would cost about \$4,500 but, Hamilton said, the village would not have to buy one now.

Trustee Lynn Kohlhausen said it will be necessary to hire another man or two to get road repairs done in time.

Widening and paving of Center Rd., north of the rail crossing has been delayed until next year.

The state is requiring a more expensive job than the county and village can afford now.

Crete Man Caretaker

JOLIET - The new superintendent of the Will County Forest Preserve district is Walter J. Malins, 53, of Crete. He succeeds John L. Jevitz who was elected Joliet town clerk last April.

The appointment, which was announced by Frank M. Wesoloski, Wesley supervisor and president of the forest preserve board, became effective Monday. The

salary is \$7,800 a year.

Malins has been a resident of Crete for the past 18 years, where he has a gardening and landscape business. He is also a Republican committeeman and two years ago was elected assessor to fill an unexpired term. It was reported he will continue to conduct the office. Three years ago he was named to the Will County zoning board.

'Monkey's Uncle

ROMEOVILLE - St. Andrew's in Romeoville will show the movie "Monkey's Uncle", produced by Walt Disney on Wednesday, July 2 at the school. Donation is set at 25 cents. Candy and soft drinks will be available.

Crest Hill Terminates City Garbage Business

BY BEV SMUTNAK
CREST HILL - The city of Crest Hill "officially went out of the garbage business" this month when the city council awarded a three-year collection contract to the Wilhelmi Disposal Company.

Wilhelmi will charge the city 90 cents per home and apartment, and \$1.50 per cubic yard for commercial

OOPS!

LEMONT -- In last week's edition we mentioned the patriotic display made by a Lemont resident to help promote the proper display of the American Flag for Flag Day, June 14.

We negelected to mention the originator of the idea was Rich McLane of Lemont. McLane co-sponsored the purchase and distribution of the flags. When asked why, McLane replied, "I thought that it was time we honored the flag and remembered the boys presently fighting overseas."

customers, with one pick-up per week, and will offer a fall and spring clean-up.

Wilhelmi Disposal will purchase the city's disposal equipment at \$14,000 outright, price of \$16,000 on terms. Bernard Wilhelmi, representing the firm, announced no change in pick-up schedules. However, it is too late for a spring clean-up this year. There will be a clean-up in the fall.

An appropriation ordinance totaling \$1,015,700 was adopted. Actually the city will spend \$300,000 to operate for the fiscal year that started May 1, 1969. The inflated total amount is to assure coverage should any unforeseen developments occur next year.

Attorney John F. Cirrione's breakdown of the appropriation by department is administration \$155,000; police \$168,150; streets \$164,650; garbage \$107,400; police pension \$10,000 estimate; public benefit \$30,000; sewer and water \$380,500; and civil defense \$3,310. The unusually high appropriation for sewer and water department includes funds for the city's plans to acquire the Hillcrest Shopping Center water system.

Russ Hartley, city treatment plant operator, reported that he had ordered work stopped on installation of sewer lines at the Lockport Township Library-Crest Hill Branch. Contractors were installing a four-inch plastic sewer line, in direct opposi-

tion to Crest Hill's ordinance specifying cast iron pipe only.

Upon contacting Crest Hill's city building inspector, Felix Borio, it was learned that Borio had ordered plastic line not be used. Hartley strongly urged council to adopt some protective measure or an amendment to the ordinance, since he felt the city would not want to bear responsibility to service plastic lines. The council agreed with Hartley's claim that the durability of plastic line is unproven.

Borio is to inform Lockport Township authorities of the problem and the wishes of the council to have the project stopped and corrected in compliance with Crest Hill

specifications.

Bills totaling \$14,188.59 were approved.

Next regular meeting will be held at 7:30 p.m., July 7 at the Crest Hill city hall.

Repairing Cedar Rd. Crossing Is Problem

NEW LENOX - The Cedar Rd. crossing of the Rock Island Lines at New Lenox is in need of repair.

The Rock Island is ready and willing to do the job, according to a letter read at last week's village council session by Trustee Jack Batson. But there's a little proviso.

The railroad will put in the crossing, according to its letter, but only if the

street is closed to traffic while the job is in progress.

Village trustees say this is impossible. No telling how long it would take.

Cedar Rd. is the only north and south thoroughfare that passes thru New Lenox.

Village officials will endeavor to persuade the Rock Island to re-build half of the crossing at a time so the crossing can be kept open.

Lemont Jaycees Plan Helping Hand Project

LEMONT -- The Lemont Jaycees have initiated a project called "The Helping Hand," a project designed to help grade school children in time of danger.

By danger, Jaycees explained, they mean if an adult stranger tries to pick-up a child or abuse him in any way, at any time. The system works when a card with a picture of a hand is placed in a window of a home

in the neighborhood. This signifies that a child in trouble is free to enter the home for help.

On the card will also be the telephone numbers of the police and fire stations, and numbers of the Lemont area schools, for assistance.

Anyone interested in participating in this should contact either Thomas Stec 257-2685, or Ronald Bror berek, 257-6487.

Special Meeting: Consider Canal Purchase

LEMONT -- A special meeting has been called for 7 p.m., June 30 at the village hall by the board of trustees to discuss the proposed purchase of the Illinois and

Michigan Canal.

All civic organizations and residents interested in this village undertaking are invited to attend the meeting.

A complete report on the canal acquisition was given at the June 23 meeting by Joseph A. Schudt Jr., village engineer, and Robert Gorski, chairman of the

canal commission.

The report stated that the commission has considered six proposed land uses: heavy industry; light industry; municipal buildings;

municipal roads and commercial parking; recreation, both active and passive; and storm water retention.

Proposed purchase involves the Illinois-Michigan

Canal from the State of Illinois. Said purchase includes the canal reach from intersection with the Sag Channel to the Cook-Will County Line. The committee reviewing the purchase consisted of Gorski, chairman, Joseph Houdek, Glenn McAdam Sr., Eli Lubick, E. O. Bossert and Joseph Wohhead. Total purchase of the canal area would amount to \$385,101.

The committee proposed three solutions to the purchase of the property. The leases on canal property within the study area approximates \$9,500 per year. The indicated deficit, in the opinion of the committee, could be made up by either of three methods: payments from the village general fund; use of motor fuel tax funds in the amount required as a purchase of right-of-way; and federal grants available to municipal bodies for recreation purposes.

County Gets Transmitter Ultimatum

FRANKFORT -- Come July 1 Will County may be back on a carrier pigeon basis for transmitting messages to its police squads and truck crews.

A letter saying that beginning next month the vil-

lage would shut off electricity to the county's radio transmitters atop the Frankfort water tower was sent to Roy Hassert, of DuPage Township, chairman of the Will County Board of Supervisors. A solution proposed in the letter is that the county gave evidence that

it is taking steps to correct the condition that now charges the tempers of Frankfort TV watchers.

The county's transmitters, used for sheriff's squad cars and to transmit messages to county truck crews, have been jamming TV reception at

Frankfort for several years.

The people complain to village officials. Village officials have complained to county officials and to the Federal Communications Commission asking that something be done to remedy the situation. So far, Frank-

fort officials say, nothing has been done, but the village wants action.

The county could equip its transmitters with filters to stop jamming. But filters are expensive and some residents feel the county would rather listen to complaints than to spend some money.

Village Attorney August Santoro reported to the village board at its recent meeting that pursuant to the members instructions he wrote Hassert that the power would be shut off unless something is done to correct the trouble.

Discuss Briarcliff Road Program

BOLINGBROOK -- A lengthy discussion took place among Bolingbrook village trustees on the proposed Briarcliff road program at the board's recent meeting.

Trustee William Plimmer read a letter that was received from Carlton and Henshaw, village engineers. The letter stated: "to provide the required pavement from Route 53 to the existing pavement that we completed in Project I, the cost for the improvement would be \$363,000, including the sidewalk from Route 53 to Frontage Rd. on Briarcliff. Including the engineering fee, bond discount and legal fees the total amount of the project would be \$400,000."

The letter then went into a breakdown for the individual homeowner. "If we went on a basis of a house valued at \$8,000 and a full tax on general obligations issue, it would cost the homeowner \$18.80, but since we can work part of it out with Motor Fuel Tax, we could produce a 50-50 type of obligation between the homeowners and motor fuel tax."

According to the engineers the next step will be a meeting between themselves and the bond consultants, Benjamin and Lang. This meeting will be set-up by the engineers, and a full report to be given at the next meeting.

First reading on two or-

dinances were given by Trustee Louis Giaccone: one ordinance an amendment to the cat and dog ordinance, and the other an amendment to the zoning ordinance. The zoning amendment was sent to the planning commission for their recommendation.

Trustee Plimmer also reported on the installation of 19 new street lights in areas where it is dark and in other areas where they were re-

quired. This brings a total of 38 lights in the village.

Reports of other committees were given. Robert Lang, Trustee reported that the meeting of the public buildings and grounds committee has been changed to 8 p.m. on the first Thursday of each month. Meeting day for the public health and safety committee has been changed to 8 p.m. on the second Tuesday of each month.

Lemont Library Plans Summer Reading Club

LEMONT -- Lemont Public Library will conduct a summer vacation reading club, beginning June 19 and continuing till Aug. 30. Theme of the program is "Apollo '69".

Librarian Mrs. Helen S. Witt announced that the program is open to any interested reader. Each member must have their own library card.

The theme of the program will take the children on a space flight to the moon. Reading 16 books signifies the blast off, earth orbit, reaching moon orbit, first moon orbit, moon landing, moon takeoff, final earth or-

bit, and splash down

Hours for the summer months are, Monday, Tuesday and Thursday 12:30 to 5 p.m., Friday 12:30 to 8:30 p.m., Saturday 11 a.m. to 3 p.m., closed Wednesday.

Working for Whom?

If you were one of the vast majority who shed a tear on April 15 when you made out your annual income tax form, you might enjoy the story of a little boy's first encounter with the ogre known as taxation.

The boy hastened to the store to buy a magazine. He was nine years old and beginning to have visions of some day owning a hot rod. With only seven more years to go, he wanted to be ready when the time came to hop behind the wheel. This was to be his first car magazine and he was going to wear the pages thin and cram his young mind with knowledge of carburetors and racing tires and all the lore

of dragstrips.

The boy got to the cash register and plunked down his 35 cents but the lady said: "That'll be 37 cents. You forgot the sales tax." Luckily the lad's mother was nearby and her two cents saved the day. But the boy learned a lesson; Caesar must be rendered unto.

This year, if you haven't been forced into bankruptcy by taxes, you will work eight more minutes of your eight hour day than last year to pay taxes. We came across a graph the other day that showed how much work time is devoted to the basic elements in the cost of living.

One hour goes toward the cost of housing. Fifty-six minutes of the day is for food

and tobacco. We spend 40 minutes of our time earning money for transportation. Clothing takes 25 minutes. Musical requirements take 21 minutes. Recreation absorbs another 18 and all other miscellany uses an hour and 46 minutes.

Now what portion of the eight hour day is put into earning enough to pay for the various costs of government? **TWO HOURS AND 34 MINUTES.** In 1968 it was two hours and 26 minutes and the year before that two hours and 19 minutes.

The goose that laid the golden egg didn't even take that much of her time to support her master's greed, and she was killed.

BGA Plans Endorsements For Convention Delegates

CHICAGO -- The Better Government Association will make endorsements of candidates for delegates to the Constitutional Convention in the 35 districts in metropolitan Chicago.

The area includes the City of Chicago, suburban Cook County, and Lake, DuPage and Will Counties, said Richard E. Friedman, executive director of the BGA.

Questionnaires will be mailed to all candidates shortly after the last day for filing nominating petitions, July 11. The BGA will personally interview an estimated 450 candidates to the primary election on Sept. 23.

Friedman said, "We encourage citizens to consider becoming candidates. The election will be non-partisan. I am hopeful that, in addition to candidates with prior governmental or legislative experience, citizens with a wide diversity of backgrounds will become candidates. The Constitutional Convention is a splendid opportunity for citizens to participate in the process of government."

Delegates will be elected from state senatorial districts. The requirement for delegate is at least 25 years of age, a citizen, resident of the state of Illinois five years of more, and two years a resident of the dis-

trict in which the delegate runs.

Persons holding state or local elective or appointive offices may serve.

An unlimited number of eligible from each district. If more than four persons file for election, a primary election will be held on Sept. 23. The four candidates receiving the highest number of votes in the primary election will be on the ballot at the final election to be held Nov. 18.

To become a candidate requires the filing of a nominating petition signed by at least 1,000 voters residing within the district. Petition forms may be ob-

Coming Up 21? Best Register For Voting

WILL COUNTY -- Residents who have just become 21 years of age are reminded to register to vote by Clara Hartley Woodard county clerk.

"I urge all young people who have just turned 21 and meet the residency requirement to either register in my office or register with a deputy registrar in their townships," Mrs. Woodard said.

Residency requirements include living in Illinois one

year, Will County 90 days and in the precinct 30 days.

Students who have been away at college but have maintained legal residences in Will County may register even though they have been out of the county and state for the school year.

"I want to remind college students that they have to be registered to vote by absentee ballot. Now when they are home for summer vacation would be a good time for them to register," Mrs. Woodard explained.

SEE NOTHING UP MY SLEEVES

FROM THE STATEHOUSE

By
LT. GOV. PAUL SIMON

Wanted: Clean Air And Water

The most emotional issue confronting the state is not the problem of air and pollution, but it is certainly one of the most important issues.

I received a letter from a seventh grade class about air pollution in Cicero. It was heartening to visit with them and see their intense interest in having a cleaner environment.

If we are to solve our problems such interest must grow.

In the next 30 years, the earth's population will roughly double. Experts suggest that pollution will more than double as the less developed countries become more industrialized.

Senator Jack Knuefer, republican of DuPage County, has introduced a measure into the Illinois Senate which would strengthen air pollution control in the state. Other legislators from both political parties are showing an increasing interest in moving against those who would pollute the environment about us.

But progress is agonizingly slow--dangerously slow.

What happens to the ingredients which pollute our air? What happens to the insecticides and poisons which flow into our streams?

We don't know all of the answers, but there is at least the very real possibility that we are gradually cutting ourselves off from good water, that we literally are gradually choking ourselves.

But the major deficiency today is not the lack of knowledge, but the lack of concern. State and local governments

and the federal government must work diligently to reduce the menaces which are an immediate threat to many citizens, and soon could be a threat to all people, no matter where you live.

Homes In Survey

CHICAGO -- Households in this area will be included in a nationwide survey of consumer buying and home improvement during July, director Theodore F. Olson of the Census Bureau's regional office in Chicago announced.

Householders will be asked whether they expect to buy a house, car or major appliances during the next year and whether they have made recent purchases of these items. Homeowners will be asked about home improvements and repairs during the last three months and any planned for the future.

The survey is taken quarterly throughout the nation to gather information that will guide federal agencies and other groups with programs based on consumer spending patterns.

In the most recent survey of the series, taken in April, U. S. families indicated that their plans for buying houses and cars were at about the same level as a year earlier, but on the average they expect to buy more household appliances and furnishings.

OPPOSES TAX HIKE

Dear Sir;

I am writing this letter for the public to see in hopes that it will make people stop and think carefully before they go to the polls on June 14 at the Ann Rutledge school. That is the day they hope to pass a referendum to raise the educational tax rate which in turn will raise our taxes some more. It was defeated on April 12 so lets do it again. How much can the taxpayer stand. I don't think it is fair that the older people who are living on pensions should have their taxes raised so much that they can't afford to live out their declining years in the houses for which they worked and saved all their lives to acquire. It is getting to the point where it seems like school district 56C is bringing up a referendum every other year. There is a limit to what the taxpayer can stand. Have you gotten your tax bill yet??? We have. Lets all get out and vote no again.

Disgusted taxpayer

Dear Editor:

I would appreciate it if you would place this in your "Letters to the Editor" column.

My wife and I have a concern for people who are lonely, whether because they are elderly, shut-in, widowed, or any other reason.

So we are developing a ministry of cheer and encouragement through personal correspondence.

If any readers of your paper would like to get acquainted with us, they are invited to write us at Rt. 1, Box 1124, Stroughton, Wis., 53589.

Thank you.

Sincerely,
Rev. David L. Handt

A SPECIAL medallion on an authentic Indian beaded band will be presented to each Navajo who served with the 4th Division. The medal will have a picture similar to the one at right on the face of it.

Marines Honor World War 2 'Code Talkers'

The Moccasin Telegraph has worked its magic again with the message that the Navajo Code Talkers finally will be officially saluted for their unique role in one of World War II's most secret and successful operations.

These Marines of American Indian Heritage will be the honored guests when the men of the Fighting Fourth Marine Division Association gather in Chicago June 25-28 for their 22nd annual reunion.

In almost every operation during World War II, through the Solomons, in the Marianas, at Peleliu and Iwo Jima, the Navajo signalmen confounded the enemy with their unbreakable code.

So complex and obscure was their language that it was utterly incomprehensible to Japanese and German eavesdroppers. The great paradox frequently even dumbfounded our own G-2 echelons across the beaches of combat in the Pacific.

Now more than a score of years later, the search is underway to locate these Navajo of the 4th Division who contributed so magnificently to victory.

They will step front and center at the final banquet in the Sheraton-Chicago Hotel Saturday night to receive a salute and accolade from their fellow Marines.

At that time a specially struck medallion on an authentic Indian beaded band will be placed round the neck (Medal of Honor style) of each Navajo who served the 4th Division.

Because of the tremendous national significance of the event, the 1st, 2nd, 3rd, 5th, and 6th divisions have been invited to select one member of their own Navajo Code Talkers to represent their organization at the 4th Division's reunion and also receive the same medal.

The medallion, engraved by the celebrated Franklin Mint in Yeadon, Penn., is based on the famous painting by Western Historical artist Joe Ruiz Grandee and is three inches in diameter and one-quarter inch in thickness. It is an impressive memento.

When Grandee presented the 48 x 60 painting to General Wallace M. Greene Jr., Commandant of the Marine Corps during cere-

monies celebrating the 20th anniversary of the Iwo Jima Landing, he said he chose his subject "because of the tremendous emotional and historical significance to Marines, both living and dead."

The painting now is an exhibit in the Marine Corps Museum in Quantico, Va.

The scholarship fund, expressed purpose of the Fighting Fourth's annual get-together, won't be overlooked either when the combat veterans relive the campaigns that took them to the D-Day beaches of Guadalcanal, Cape Gloucester, Roi-Namur, Saipan, Tinian, Iwo Jima and Okinawa.

In 21 years of activity the association has started 15 youngsters towards goals of a formal education. Currently, four children of deceased or wounded Fourth Division members are enrolled in college with \$3,200 in grants.

Chairman Gerald Pines, Rt. Rev. Msgr. Leslie Whelan and Frank Prokop, who guide the destiny of the fund, have established a minimum target of \$10,000 during the 1969 reunion.

Another point of excitement will be the 76th birthday of the Grand Old Man of the Fourth, General Clifton

B. Cates, Commanding General of the first division to go directly into combat from the United States and the first to capture Japanese mandated territory in the Pacific.

General Cates, Commandant of the Marine Corps from 1948 to 1952, will be on board, as he has been for 21 years, to celebrate the occasion in Chicago with his men.

Adding to the nostalgia will be a simultaneous gathering in Chicago with Gen. Cates' 1st command, the famous 96th Company of Marines that blazed such a glorious record at the Argonne in World War I.

All of the delightful fanfare that goes with a reunion weekend will be in vogue too, according to Clayton Caston, president of the association, and Col. Joseph J. McCarthy, Medal of Honor winner who will be honorary

chairman of the gala affair.

Regimental parties, all sorts of entertainment, sight-seeing tours, fashion show, planned activities for the children, parade, beer bust, banquet and memorial service are only a few of the many activities that await the pleasure of all hands and their loved ones.

Plus, naturally, the many poignant memories only combat veterans can share of early morning landings, murderous cross-fire, banzai attacks and deep-throated commands from gunnery sergeants leading the way in heavy action.

Incidents and courageous action which in 1946 inspired War Correspondent Robert Sherrod to write:

"There is no doubt in my mind that the historians will decide when the final returns are in, that the Central Pacific was the main stroke against Japan.

"This was the campaign where the Fourth fought all its battles . . . and fought them as magnificently as Americans ever fought."

Historians have echoed Sherrod's prediction. A prominent part of the record is the voice code which defied decoding, the Navajo Code Talkers.

This Hidden Chapter of the Marine Corps was a guarded secret until VJ Day. Then the story began to unfold.

Commanders at Guadalcanal were doing mental gymnastics trying to preserve integrity in communications with the time-consuming factor of enciphering and deciphering.

Ultimately, the Navajo became the solution after extensive experiments state-side by Major General Clayton B. Vogel and his signal officer, Colonel James E. Jones.

It was eminently true that the Navajo was a fighting man from way back and by nature quiet, clannish and enigmatic. The Navajo language had no written vocabulary or symbols.

It was estimated at the time that only 28 other persons, mostly American scientists or missionaries who lived among the Navajo and had studied the language for years, could speak Navajo fluently.

The Navajo ancestors were the old Athabascans who had drifted Southward from Alaska and Canada, down the mountain chains and desert valleys. They were the only Indian tribe in the United States not infested with German students during the 20 years prior to 1941.

Germans had studied American Indian Tribal dialects with a frenzy in those 20 years in the name of science, anthropology and religion. Foreign diplomats then were the biggest customers of the Bureau of Indian Affairs in the purchase

of publications dealing with Indian Tribes.

But even if Navajo books, which were just breaking into print in 1941, were in enemy hands it would be virtually impossible for the enemy to gain a working knowledge of the language from the meager information.

The calculated estimate that the dialect variations among the Navajo tribes, and in some cases even dialects within a tribe, would confound the Germans and Japanese proved itself almost without exception in combat.

It seemed like a near-perfect answer, so on Oct. 2, 1943, authorization for the induction of Indians was given by the Commandant of the Marine Corps.

Enlistment orders specified that recruits meet full Marine Corps physical standards and have sufficient knowledge of English and Navajo to transmit combat messages.

Of a total of 540 Navajos enlisted by the Marine Corps 420 qualified as Code Talkers.

Few experiments in World War II proved more successful than the Navajo Code Talkers.

Now the search is on to locate these celebrated veterans of the 4th Division in their habitats of Arizona, New Mexico and Utah, or where ever else they might have settled, and invite them to Chicago to receive well-earned recognition for their heroic exploits.

Fourth Marine Division members desiring reservations or more information on the 22nd reunion should write Fourth Marine Division Association, P.O. Box 3980, Chicago, 60654.

Those with information concerning the Navajo Code Talkers are asked to contact Reunion Chairman Lee Cannon via the same address, or to Anthony P. Lincoln, Dir. Navajo Tribal Council, Window Rock, Ariz., 65515.

CLOSE BEHIND THE Bougainville front lines, these American Indians serving with a Marine signal unit are shown operating a portable radio set in a clearing they themselves have hacked from the dense jungles. The men are, left, Cpl. Henry Bake Jr. of Fort Defiance, Ariz. and PFC George H. Kirk of Leupp, Ariz.

Moon Exploration of the Future

Copyright 1969 World Book Science Service

What's the next step in our space program after Project Apollo?

Space scientists have been pondering this question for a long time. Each aspect of the space program has a very long "lead time."

In other words, it takes years of research, planning and experimentation to accomplish each of the marvelous feats we calmly watch on TV and read about.

While it might not seem so

NI-Gas Names New Officers

C.J. Gauthier has been elected president of Northern Illinois Gas Company by the utility's board of directors. The announcement was made by Marvin Chandler, NI-Gas' chairman and chief executive officer, following the company's annual meeting on June 3. Gauthier succeeds Chandler in the president's post.

Gauthier, 47, an Oak Brook resident, was formerly executive vice president of marketing and operations.

EYE ON SCIENCE

Looking Through A Life Saver

By Joe Costa

When astronauts get ready to blast off for the moon, they will have 3,000 pounds of live solid rocket propellant sitting on top their spacecraft.

The powerful propellant fuels the tower-like launch escape system which pulls the astronauts away from their huge moon rocket in the event of an emergency during launch.

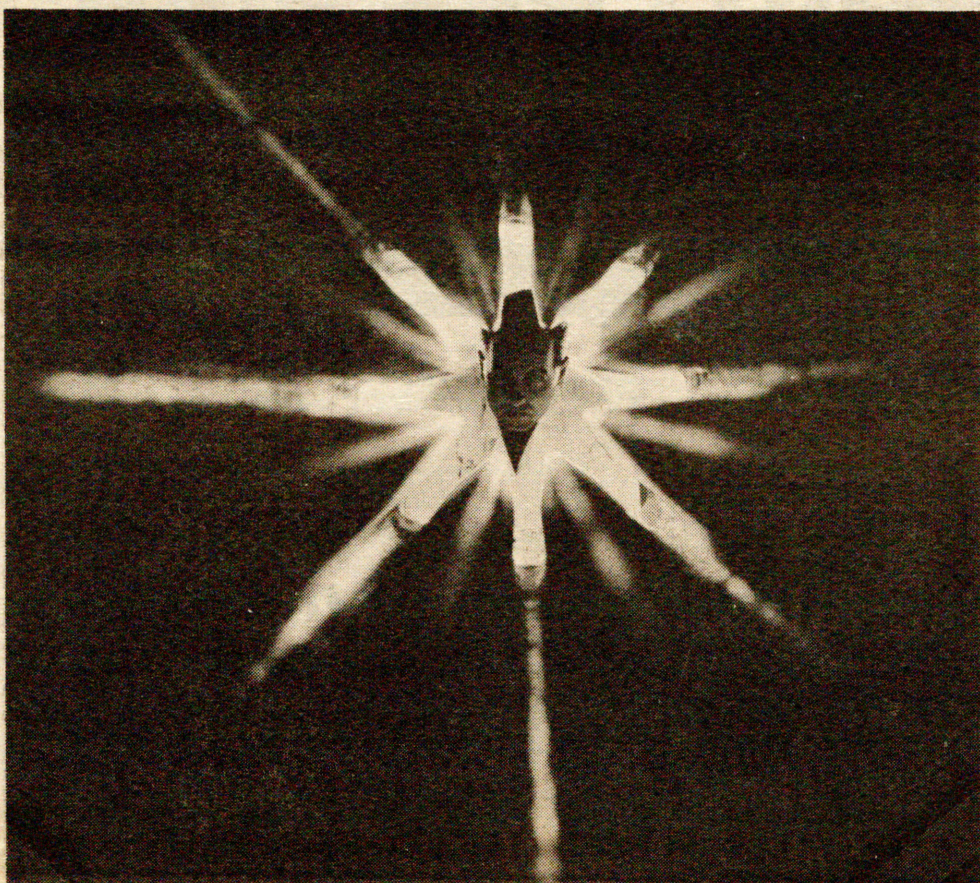

An eight-pointed star-shaped tunnel runs down the center of the solid fuel, which is loaded in the 15-foot-long combustion chamber of the escape rocket.

Such a design exposes a large area of the fuel to the flame of an igniter which shoots down the bore.

The burning propellant generates 150,000 pounds of thrust, equal to the power of some intercontinental ballistic missile motors.

This is enough to hurl the 12,000-pound spacecraft and its crew one-mile from an exploding or burning launch vehicle in a few seconds. The spacecraft is then lowered gently by parachutes.

From World Book Science Service

to us now, the goals of Project Apollo are really very limited. Landing astronauts on the moon, having them explore a little, and bringing them safely back to Earth is really just a drop in the bucket of space exploration.

There are billions of miles left to explore . . . many planets . . . thousands of stars. But what about the moon itself?

The Apollo astronauts will explore less than a mile

around their landing site.

The problems of weight and endurance are such that the men will only have three or four hours at a stretch to poke around the lunar surface.

One of the things that's

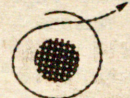

being developed is a motorized cart that will allow the astronauts to go tens or even hundreds of miles away from their ship. Automatic navigation and tracking systems are being considered, too.

Then the crew won't have to bother noting the detailed location of every interesting rock formation they find.

Apollo will land on the smoothest, flattest place possible. On later missions, space scientists would like to be able to set men down safely in some trickier places -- like inside some big and interesting craters.

Can you find 20 question marks lurking on the moon?

The pushbutton keyboard in common use on east-coast telephones and in evidence everywhere for desk calculations, credit verification and inventory data, can now be used for immediate medical information.

The National Institute of Health (NIH) has established a 12-digit pushbutton telephone and computer service that will bring the power of the computer within the reach of any family doctor.

A doctor almost anywhere in the country will be able to ask a question by using the same keyboard normally used to "dial" a telephone

number. Within seconds, he will receive either a code or voice reply by long distance.

To date only the largest clinical centers have been able to support computer facilities for quickly obtaining stored medical information such as proper drug dosage, therapy computations for burn cases and diagnostic assistance.

The individual practitioner has been unable to get immediate help he often needs in solving emergency problems and has had to resort to textbooks or do time-consuming calculations.

The NIH initial experiment has been run from a computer at Valley Forge, a private computer in Detroit, Mich., and an education-center computer in Raleigh, N.C. For testing a pair of drug codes is used as input. There are four outputs: yes, no, conditional, or unknown.

The experimenters tried out different nouns and adjectives to specify mixtures. Answers came back almost instantaneously.

In other trials they have retrieved information on drug doses for children, foetal drug toxicity limits, poison control recommendations and recent medical literature citations.

"The telephone is a convenient means to gain access to the capability of a computer," Dr. Scott I. Allen of NIH says.

Other information he is considering for computer storage are: anticoagulation drug schedules, therapy for diabetic acidosis, pulmonary function calculations and quotes from various medical textbooks, journals and scientific articles. The possibilities seem unlimited.

Sloths can hang so securely from the branches of a tree that they even fall asleep in this position. A sloth may even stay suspended in a tree for some time after it dies. Scientists believe that the sloth's sluggishness is at least partly caused by its extremely low body temperature.

Swim Program Gets Off To Good Start

Mrs. Katharine Heisner
Telephone 469-5187

The swim program sponsored by Frankfort Park District got off to a good start last week when 80 youngsters turned out for the first of eight Monday morning sessions at the Valley View swimming pool.

It was on the cool side on Monday of last week but the young swimmers, ranging from 6 to 18 years of age, paid no heed to that.

Frankfort youth boarded the bus at the Frankfort School at 9:30. They have to be a bit ahead of time because the bus has other stops. The Connecticut Hills and Lincoln Meadows contingents should be at their stops before 9:45. They will be transported to the pool on the second trip and brought home on the second trip.

The youngsters have a two-hour swim period, from 10 a.m. to 12 noon. Should it rain on a Monday morning while the swim sessions are on they will be held on Wednesday morning, it was announced.

The children wear their swim suits to and from the pool and each must bring his own towel. Swimmers who missed the first session may still come. Mothers who wish to help supervise the swimmers may do so.

The Frankfort Community

Park District Board met Thursday, June 12 at the Library and elected officers for the coming year.

David Zechlin was re-elected president.

Frankfort

Dr. Merle Otto was elected vice-president. Mrs. Raymond Page was re-elected secretary-treasurer.

The following areas of responsibility were outlined. Wilbur Hossbach will be in charge of maintenance of the park grounds. James Glunz and Dr. Merle Otto will share responsibility for all recreational activities.

Mr. and Mrs. Robert Vandervall and daughter Joan of 310 Colorado Ave.; attended the graduation of their son Robert, who was one of the class of graduates at the Colorado State University at

Fort Collins on June 10.

The Fireman's Auxiliary have scheduled their next meeting Tuesday evening July 1, at the Fire Barn. Mrs. Henry Diment the president is in charge of the business session. An interesting program is planned. Hostesses are Mrs. Orville Schinkowski and Mrs. Philip Moenck.

The Bensonville Home Benefit will be held at Drury Lane Wednesday evening, July 2 at 8:30 p.m. Approximately some 30 members of the St. Peter's United Church will be attending.

The Annual Church and Sunday School picnic of St. Peters Church of Christ will be held on June 29, at 10:30 p.m. at North Van Horne Woods. The Sunday School classes will participate in the worship hour.

Teachers Surprised

(continued from page 1) was all the board could afford this year. They did not know if the teachers wanted to be bound to a four per cent index for two years.

C M T O representatives also stated that since this was a surprise move, they would have to inform their teachers of the stipulation before they could act.

Tom Talarico told the teachers on hand that Chaney-Monge District 88 is the highest paying district in the Lockport Little 8. Bill Colonna, board member, said the time limit was included because the teachers would want to negotiate index again next year.

Having just concluded 28 meetings on negotiations with CMTO, the team was in no mood to negotiate any further or do a repeat next year, he

said. He strongly urged the board to approve the salary plan as proposed. Randich seconded the motion. It was carried unanimously.

The negotiating team plan adopted also gave several raises in special departments. Allotted to student government was \$100; year book, \$125, which is self-sustaining; school newspaper to be done away with; spelling contest manager \$25 to \$50; cheerleader sponsor \$100 to \$250; head football coach \$250 to \$300; assistant football coach \$150 to \$200; heavyweight basketball coach \$400 to \$450; lightweight basketball coach \$400 to \$450; fifth and sixth grade basketball coach \$150 to \$200; baseball coach \$300; track coach \$250 to \$300; assistant track coach \$150 to \$200; and tournament manager, done away with.

Board members who served on the school board negotiations team were Talarico, Colonna and Randich.

Exchange Vows In Iowa Church

Wedding vows were recited by Judy Ann Lewison and Lt. Brooks William Booker III at the St. Thomas More Church in Iowa City, Iowa on Saturday, June 7. The Father Clarence Stangohr performed the ceremony, united in marriage the daughter of Mr. and Mrs. Donald E. Lewison, of New Lenox, and the son of Col. and Mrs. Brooks Booker.

The church was decorated with potted palms, pink and white glads with babies breath.

The bride was given in marriage by her father and was wearing a floor length gown of white silk organza peasant type - drindle skirt with wrist length balloon sleeves, and high victorian neckline, alencon lace overlay on the molded slightly raised bodice, a tubular chapel length train. Her veil was a train length veil of imported silk illusion. The brides flowers was a floral headpiece and matching bouquet of babies breath, white stephanotis, white button mums and pink sweetheart roses with pink streamer on the bouquet.

The maid of honor was Miss Deborah Prange, of Joliet, cousin of the bride, her gown was sheer pink voile blouse with high neckline, balloon sleeves, olive sash and shoes, a deeper pink was a long dirndl skirt. She carried a rosegay of babies breath of pink and olive button mums with olive streamers.

The bridesmaids were Miss Kristin Summerwill of Iowa City, Iowa, Mrs. Michael Conlan of Des Moines, Iowa, Mrs. Larry Stelter Schauland of Urbandale, Iowa; all were dressed identical as that of the maid of honor.

The flower girls were Miss Jane Lewison, sister of the bride, Miss Rebecca Prange cousin of the bride. They were dressed same as the maid of honor and were carrying the wedding rings in their bouquets.

The bestman was Lt. James Getz of Newton, Iowa.

The ushers were William Merrick, Charles Sleichter, Richard Berntsen, Robert Peters, and Edwin Sayre, all of Iowa City, Iowa.

Afterwards there was a wedding breakfast at the University Athletic Club in Iowa City.

Mother of bride wore a Nile green coat and dress ensemble of silk shantastic with Venice lace trim and harmonizing accessories.

Mother of the groom wore a soft pink coat and dress

Auxiliary Receives 'Thanks'

LEMONT -- Members of the Lemont 22 Honor Ladies Auxiliary to the VFW Post 5819 have received thank-you letters for the many services that they have performed recently.

The auxiliary journeyed to Hines Veterans Hospital with 25 members and friends, and hosted a party at the recreation hall for approximately 220 veterans. Money for this project is obtained through the annual poppy day sales conducted in the community. A letter thanking the unit arrived from W.T. Liberson, M.D., Ph.D., chief, physical medicine and rehabilitation service.

Thank-you letters are also received from boys presently serving overseas. The Auxiliary sent 24 packages to the boys, as was reported by Jean Misevich, publicity chairman.

Sp/4 Bruce Szafraniec, who is presently serving in the Canal Zone, took the time to write a thank-you letter back home. He stated: "I was very happy to receive the package, knowing that someone back home really cares about us guys in the service. I'll always remember this kind deed you ladies have done. Again I thank you for sending me the package, as no one else has received a package from their home town auxiliary. It made me proud to be a Lemonger, and be born and raised in a town with people so kind and thoughtful as you ladies have been to me at this moment."

Another resident, John Goode, also sent home his thanks in a letter. "Thank you so much again for this second time you have sent me a package for a special occasion. I hope that in some way this letter, short at that, will show how deeply I am proud of my small but very warm VFW. The big town boys don't get packages as I have from you."

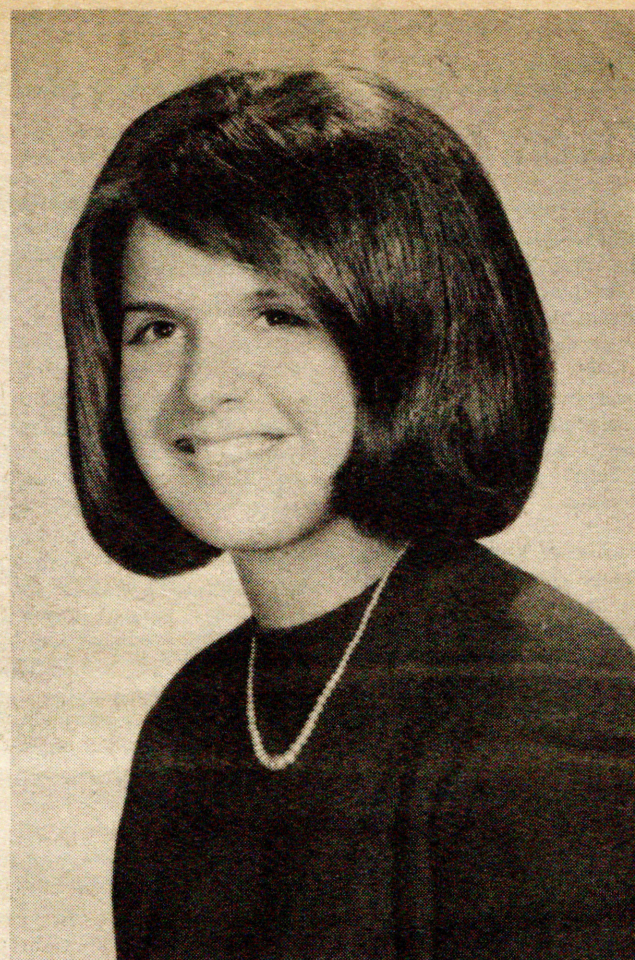

Listed In Who's Who

Two Lockport students of Joliet Junior College have been listed in the 1968-69 edition of "Who's Who Among Students in American Junior Colleges."

Patricia Sippel and Susan Tessitore were among campus leaders from over 600 junior colleges throughout the United States.

Value Advice

Teenagers generally value the advice of fathers and mothers more than counselors, friends, or grandparents, according to a study by Southern Illinois University researchers.

DEBORAH PERINI - Mr. and Mrs. George Perini of Lemont, announce the engagement of their daughter, Deborah Joan, to Robert Lawrence Hicks, son of Mr. and Mrs. Eugene Hicks of West Covina, Calif., formerly of Lemont. Miss Perini, a 1967 graduate of Mt. Assisi Academy, is presently working in Chicago. Her fiancé, a 1967 graduate of Lemont Township High School, is employed by Graphic Newspapers in Lemont. A Nov. 15 wedding is planned.

told the group, "you play with a fine, large, brilliant sound." He went on to say that they "had excellent carriage and were outstandingly good in instrument carry."

He also stated, "they had excellent uniformity of individual movement and made a good exit while playing." He later told them, "they were a fine marching-playing band."

Band director Williamson remarked that the band "did an unbelievable job. The contest was much more difficult than I thought it would be and yet they still came through. Their achievement

is a fitting tribute to the very talented, hard working students we have in the band, and to the extremely high-pitched support we receive from the band parents and the school administration."

Open Letter from the HIRSCHS'

Dear friends,

We are told that there is a 10% change each year in the population of an average community. Ten years away from your old home town and you find yourself almost a stranger.

Newcomers in this community are especially invited to call at our funeral home. Become acquainted with the funeral director to feel confident in him in time of bereavement. You are most welcome to inspect our facilities.

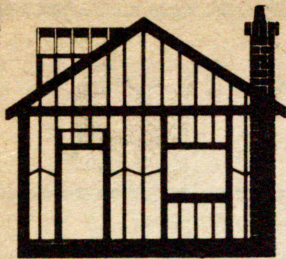

Respectfully,

Carl H. Hirsch

Manhattan Fire Takes One Life, Injures Six

MANHATTAN- One man is dead of smoke inhalation, one man is in Silver Cross Hospital with back injuries suffered when he leaped from a second story window, and five persons, including two

firemen, were treated for getting too much smoke as a result of a fire that swept an apartment building at Manhattan at 4:30 Monday morning.

Dead is Stanley Torkelson, 55, custodian, whose room was on the second floor. His roommate, Robert Childers, 49, is the man hospitalized. Eugene and Sheila Marsh, and their infant son Kevin, were among the 10 persons brought to safety by fireman but were treated for smoke inhalation and released. The two fireman who got too much smoke are Jack Fitzgerald and Robert Borden.

There were 13 apartments in the two-story, concrete block structure, according to Manhattan Fire Chief Dale L. VanderBoegh. It is owned by E.H. Lemenager, of Joliet. Origin of the fire and the amount of loss was not determined by Monday afternoon.

To Lease Relocatable Classroom

LOCKPORT -- To buy a relocatable classroom or not to buy one was discussed intensely at a recent District 92 school board meeting. Superintendent Hugh Bitter said the need is there for one at Reed School this fall. Special education department will purchase one to be placed at Walsh School.

This brought on a discussion with Conrad Roop, board member, stating that the three schools should be equalized and if one is placed out at Reed, the other two schools should have one also. Superintendent Bitter showed the board how the need was greater at the Reed building. He emphasized that Reed is the smallest school with almost as many students as the other buildings. Enrollment at the close of school showed 570 students at Ludwig, 559

at Reed and 581 at Walsh. This does not include the special education youngsters who totaled 36.

A \$150,000 bond referendum was discussed for purchase of three relocatable classrooms as the board does not have the money to buy them.

Mrs. Helen Brown's logical suggestion was approved. She said to place one out at Reed this fall and then go to the voters for a referendum. She said the residents could then see what they were like.

Board approved leasing the one unit from National Homes for the Reed building.

Half day sessions were also discussed as this will probably be inevitable when kindergarten takes precedent in 1970. Board said this is costly as more teachers are need-

ed and transportation costs skyrocket.

Superintendent Hugh Bitter reported on the Fox Valley Freeway information he had received. Report came from H. W. Lochner Inc. of Chicago.

Report stated the purpose of the Fox Valley Freeway corridor study is to recommend a location and development plan for the Fox Valley Freeway within a specific corridor. This corridor is about 65 miles long and four miles wide. It extends from about 147th St. north of Lockport to the northern part of McHenry County near McCullom Lake. Freeway corridor is west of and parallel to Rt. 59. Proposed freeway will connect to other similar facilities currently being planned as a part of the over-

all Chicago Metropolitan Freeway System.

Study was initiated in the early part of 1969 when the Illinois Division of Highways engaged an engineering consulting firm, H. W. Lochner Inc. of Chicago, to determine a location and development plan for the proposed freeway.

Superintendent Bitter read a letter of appreciation from the state superintendent of music regarding the state band contest held at Ludwig School. He noted that it was a well managed contest and that the band director and his people all cooperated and worked efficiently. He said the District 92 band performed admirably and that the band director, Jack Williamson, was outstanding both as a teacher and leader.

Board Asks \$225,000 Bid

By Mildred Brill

LOCKPORT -- District 91 School board set a figure of \$225,000 for the sale of the old Central Grade School at a recent session. Notice is to be placed in trade magazines. District will not accept an offer of less than this amount.

Four teachers were hired

for the coming year. Keith Saginus will teach social studies and English at a \$7,000 salary. Virginia Muzzey will teach second grade and receive \$7,100. Irene Blatnik will also teach second grade at a salary of \$8,600. George DeTofol, sixth grade teacher, will receive \$7,300.

Bill Connors, architect, reported on the Milne Grove

School progress. He noted that the painters' strike is still in effect. Mazzucco Construction should have the building completed within a week. Carpeting is to be installed in the library by July 1.

Transportation returns showed 390 approving bus transportation and 290 against it. Board said it must

go to a levy next year if the district is to have regular transportation. Dr. Reno Caneva suggested the school use the same system and the youngsters pay as they go. Karl Schupp, board member, made the motion not to have a levy and Dolores Brubeck seconded it. Mike Kurtyak cast a no vote.

Attorney Gene Korst is to work on plans to transport children under the present plan.

Two resignations were accepted from Roland Whalen and Mrs. Helen Whalen, teachers. Mrs. Whalen requested her remaining salary be paid in a lump sum.

Board approved a \$200 extra-curricular pay for Peter Pappas, band director, for his summer band program. Pappas' request for 18 new uniforms was tabled.

Secretary for Kelvin Grove School was approved for hiring by Superintendent Roy Sprague. Secretary will receive \$3,400 for 10 months and work six and one-half hours per day.

Mrs. Alma Yates, principal, says a boys' physical ed teacher and coach is needed yet as well as science and math teachers.

Mrs. Mirkovich, an itinerant teacher, resigned but will work for the district through the special education program. State will reimburse 50 per cent of her salary.

Board approved the amendment of the special ed department to change their policy from a nine man vote to a seven out of nine.

Bids on blacktopping, seeding and planting of trees for the new Milne Grove School will be opened at a board meeting rather than a committee meeting.

A discussion was held regarding whether or not the district needed a building permit for its new school. Explanation was that the plans were to be inspected by the county superintendent, Boyd Bucher. Board noted that the plans were on Bucher's desk for about a year. Will County Health Department does not approve of some of the items in the new building. Attorney Korst is to check this out and give a report.

A letter is to be written to the city council asking them to clean up the Madison St. area.

Dr. Reno Caneva, board member, suggested a future enrollment study be made.

STEVE MCFARLAND

Tours Europe

LOCKPORT -- Steve McFarland, son of Mr. and Mrs. Patrick F. McFarland of 1102 Cleveland Ave., Lockport, is presently enjoying a 22 day tour of Europe.

A recent Kelvin Grove graduate, Steve is accompanying the West View Junior High School on their German tour.

Group left via the Icelandic Airlines, stopping over in Reykjavik, Iceland, enroute to Luxembourg. Upon entering Germany they cruised up the Rhine River, spent a few days in Frankfurt, West Berlin, East Berlin, Rothenburg, Bavaria and Munich.

Following several days in Salzburg, Innsbruck, and Berchtesgaden in the Austrian Tyrol, they proceeded to Zurich, Switzerland, and Leichtenstein, France.

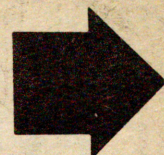

Return will be made through the Black Forest, and Heidelberg, Germany, and they will depart for home June 28.

Graduates

LOCKPORT -- Airman Dale E. Clark, son of Mr. and Mrs. Kenneth E. Clark, 123 N. Washington St., has graduated from a U.S. Air Force technical school at Sheppard AFB, Tex.

He was trained as an aircraft mechanic and assigned to a unit of the Alaskan Air Command at Elmendorf AFB, Alaska.

PULL-OUT SECTION

JOHN POPP of Lockport proudly shows off his plaque which was presented to him as Outstanding Drum Major at the Virginia Beach National High School Band contest held last week. (Graphic photo by Pat Callahan)

John Popp Named Outstanding Band Drum Major

LOCKPORT -- John Popp, son of Mr. and Mrs. John M. Popp of 1228 McCameron Ave., Lockport, was named as the "Outstanding Drum Major" at the Virginia Beach National High School Band Contest, held in Virginia June 16-19.

John was judged on overall appearance, presentation while leading the band and off the field, and on his knowledge of drum major techniques. There was a total of 26 bands competing in the contest, 24 of which were high school level.

John stated that he was "taught everything I know by Band Director Jack Williamson." Williamson has been band director for District 92 for the past five years.

A recent eighth grade graduate, John joined the band in November of 1964, which was Williamson's first year at Ludwig. John plays first chair clarinet in the band, and has been drum major for the past 11 months. He recently played clarinet solo at the school spring concert.

Can Appeal Tax Listing

The Lockport Township Personal Property List and the Lockport Township Real Estate Tax Changes List have been prepared and appear in today's edition of The Southwest Graphic.

Persons having complaints to make about valuations have ten days after publication to appear before the Will County Board of Review. The Board offices are in room 205 on the second floor of the Will County Courthouse.

Office hours are 9 a.m. to 5 p.m. Monday through Friday.

Clarence Lipman, Will County treasurer, should not be contacted in making complaints about the valuations. Lipman has no jurisdiction in the matter.

Treasure Hunt Reading Club

LOCKPORT -- Lockport Township Library will hold a Treasure Hunt reading club during the month of July. Registration may be made in the children's department of the library, on the second floor, during the week of June 23-28.

Reading of books will begin June 30, and continue until July 31. Book reports will be read each morning at the library, Monday through Friday.

Upon completion of the reading program, a treasure hunt will be held. Time for this hunt will be announced at a later date.

Students completing the program will be presented with certificates to present at the return to school in September.

Teens Meet

Hi-Teen Club of St. Andrew's Church in Romeo will hold a meeting June 25 at 7:30 p.m.

Across The Editor's Desk

By Ann Karkut

ALL WAS QUIET on the home front at the June 12th District 205 High School board meeting in Lockport. It was a well conducted meeting and no fireworks occurred.

PERHAPS THERE might have been some heated words if the Dan Simcox case were reopened; however, the item was bypassed although it did appear on the agenda. The teacher was present but didn't bring up the subject as he saw a full board was not in session. Mrs. Joan Straka had noted at the last board session that she would not be in attendance for the following meeting.

Bill Brill, board president, tried to get the case reopened at the last meeting but both Frank Lynch and Tom Wilson were insistent that it not be reopened until they had all board members present.

Bill was criticized unmercifully for trying to get the case resolved. Since the teacher was led to believe that some other action might result, we also thought it only fair to reevaluate the situation particularly since the West High principal chose to resign and go elsewhere. If the district is ever going to get straightened out, it needs to be more careful and more mature in passing judgment on its teachers.

Make sure your dismissals will stand up in court. We don't need to go thru another heated session as we did with the Marvin Pickering teacher dismissal case of 1964. As you recall, this case finally came before the U.S. Supreme Court a year ago March and when the decision was rendered, it was in Pickering's favor. This case is not completely resolved yet either and many, many thousands of dollars will be spent before the issue is closed.

HAROLD SCHOLLE, newly appointed superintendent of the district on a two year contract, seems to be very capable of handling a bad situation and is well aware of what went on in the past. Let's give him an opportunity to do a good job for us and if he doesn't let's tell him about it—I'm sure he'll listen to us and I'm sure he's the kind of man who will not be afraid to admit he could be wrong. We wish him luck on his rocky road but we think he will succeed.

I'm a little bit disturbed about all the things I hear that can be placed on the life safety code bill -- I don't think we taxpayers will ever get rid of that five cent levy for life safety work -- and, don't forget, this means an additional five cents for our grade school district as well as the high school district.

So what will our building funds be used for? Will they fall by the wayside and we will support both our building fund and life safety code fund with this five cent levy?

Perhaps we ought to write our legislators and superintendent of public instruction regarding this additional cost placed on taxpayers. To bring schools up to standard is one thing but to keep bleeding taxpayers is another thing.

So let's be extra alert about what the schools are having done in their life safety code work -- we might get the surprise of our lives.

WE ALSO HAVE board members, both grade and high school, that must have everything for their school whether it is feasible or not just because it is needed at another building. There should be no repercussion from any board member if an administrator feels certain things are needed in one building but not the other. These board members need to grow up out of the attitude that "if he gets it, I want it too."

BOARD MEMBERS ought to sit down once in a while and reevaluate themselves and ask why they wanted to be elected to serve on their various school boards. Don't forget, the one important reason is to educate our youngsters to the best of our ability -- not who has the fanciest building or the highest paid administrators.

Veteran Retires

Margaret "Peg" Fouser who has been teaching in the schools of New Lenox School District 122 for the past eight years has retired bringing to a close a colorful career in education.

Mrs. Fouser taught fifth grade for a number of years, and this past year taught in the departmentalized junior high program at the Oakview School. She had done considerable substitute teaching in Joliet Schools and at Lincoln-Way High School before joining the New Lenox schools. Prior to this she taught in the schools at Streator, Ill.

Mrs. Fouser has been active in local and area educational organizations and is a member of Delta Kappa Gamma, a national honorary society for women educators.

Mrs. Fouser and her husband, Bill, who retired from Commonwealth Edison in February, plan to retain their residence on Maple Lane in New Lenox. They hope to travel and pursue hobbies that they have developed.

MARGARET FOUSER

Mrs. Fouser is an ardent baseball and sports fan and her students know her as one of the Cub's best fans.

Party Planned For Fire Flies

By Mrs. Eugene Anderson
Homer Fire Flies 4-H club met June 17 at the Homer town hall with 13 members and three guests present. Mrs. Ray Kennedy was the leader for the group.

Demonstrations were given by Krisy Reiter and Janet Olha. Refreshments were served by Mike Olha.

Next meeting will be a projects tour. Group will meet at the town hall July 12 at 8 a.m.

A swimming party and picnic have been planned for the date. Group will return to the town hall at 4 p.m.

Robert L. Shepherd Jr., son of Mr. and Mrs. Robert Shepherd Sr., of Bruce Rd.

has returned from Silver Cross Hospital where he spent a week as a patient.

Robert Dudlcek, son of Mr. and Mrs. William Dud-

HOMER

liceck, underwent surgery at Silver Cross Hospital June 14. He has returned home.

Fred Massey is presently a patient at St. Joseph Hospital.

Homer Determined TOPS (Take Off Pounds Sensibly) have changed meeting dates for the summer. They will meet Fridays at the Homer town hall at 1:30 p.m.

Douglas Carlson, son of Mr. and Mrs. Raymond Carlson, graduated June 14 from the school of law at Northwestern University.

Mr. and Mrs. Ken Anderson and family have recently returned from a week's vacation in Missouri.

While there, they visited with the Staubus family, who are former Homer Township residents.

Linda Morris, daughter of Mr. and Mrs. Bernard Morris, and Verda Sass, daughter of Mr. and Mrs. Loren

Sass, have returned from conservation camp at Illinois State University.

Will-Cook Conservation District was the sponsor for Miss Morris, while Miss Sass's sponsor was the Maple Street Arbor of Gleaners.

Homer Congregational Church Vacation Bible School had a record breaking attendance, with 146 children enrolled for the program.

Closing program will be held Friday, June 27 at 7 p.m., at the church. All parents are invited to attend. Refreshments will be served.

Campaigners Pass Milestone

JOLIET -- Campaign workers in the current Joliet Regional Hospital Development Association drive celebrated on June 13 by passing

the second milestone of the campaign when Robert A. Herschbach, general campaign chairman, announced \$2,050,000 had been subscribed.

In announcing the amount subscribed to the \$4,500,000 campaign, Chairman Herschbach said, "We have a way to go to achieve our goal but we take heart in the fact that almost 70 per cent of the large industrial firms have not reported as yet. We hope to get off 'dead center' by having a few large firms come in now with substantial amounts as requested and thereby give us the impetus to push on to success 'with great fervor'."

The board of trustees of St. Joseph Hospital, its' Lay Advisory Board and the board of Trustees of Silver Cross Hospital have subscribed a total of \$221,900. Incomplete reports from school and college employees in this area indicate over \$40,000 has been subscribed while county, state, federal and municipal employees have just entered the campaign arena, according to E.B. Workman who heads the solicitation of government employees.

The medical staffs of both hospitals will soon complete their solicitation with more be followed by the Mercantile Division which recently held a breakfast kick-off meeting.

Boosters To Elect

LEMONT -- Annual election of officers for the Lemont High Boosters Club will be held at the July 1 meeting, at the Lemont VFW Hall.

Young men and women at Lemont High School have benefitted from the existence of the club. Two boys and two girls have each received a \$100 scholarship, a concert bass drum was presented to the high school band, and in the field of sports a "Most Valuable Player" trophy was presented to the school, inscribed with the players name. The club has also been instrumental in obtaining many sports figures to speak to the athletes at the school.

Anyone interested in the club, or in becoming an officer, is invited to attend this meeting.

COLLISION COVERAGE

Collision coverage protects the insured against damage to his car whether or not he is at fault. Why is this important? Because the insurance company will fight your battle to recover. Consider the uninsured driver who might damage your automobile. Yes, you can bring suit against him, but it is much easier to let your insurance carrier reimburse you, and subrogate against the other driver in an attempt to collect. Even more awkward is the situation where the other driver is insured, but denies liability for the accident. This is an extremely sticky problem - and your insurance company is better equipped to handle it than most of us would be. We are not "car fixers" at Illinois Securities Co., 66 N. Chicago St., but we know some of the "mechanics" in getting the job done. Call us at 726-5376 for information when you have any question concerning automobile insurance.

Feature Derby

WILLOW SPRINGS — Santa Fe Speedway's championship is a six-way battle. Presently Larry Robb of La-Grange is leading the tightly-knotted band of sportsman pilots.

Other contending drivers are Lee Byers of Chicago, who has been the hottest driver for the past two weeks; Bill Bottoms, last year's "rookie of the year" from Justice; Jim Kubik, a converted late model driver from Lyons; Ed "Fireball" Fehrman, of Brookfield; and Jerry Kling, a top-ranked chauffeur from Lemont.

Santa Fe Speedway has also announced that the speedway point standings show Don Waldvogel of Lockport, as the leader in the late model division. He drives car number 51, and has a total of 129 points. Jerry Kling, driver of number 89, Lemont resident, is ranked as number six in the sportsman division. His total points are 57.

Plan Trapshoot At Farm Sports Festival

SPRINGFIELD — Mather Gun Club, located near Springfield, will be the setting for the 1969 Illinois Farm Sports Festival trapshoot, July 26.

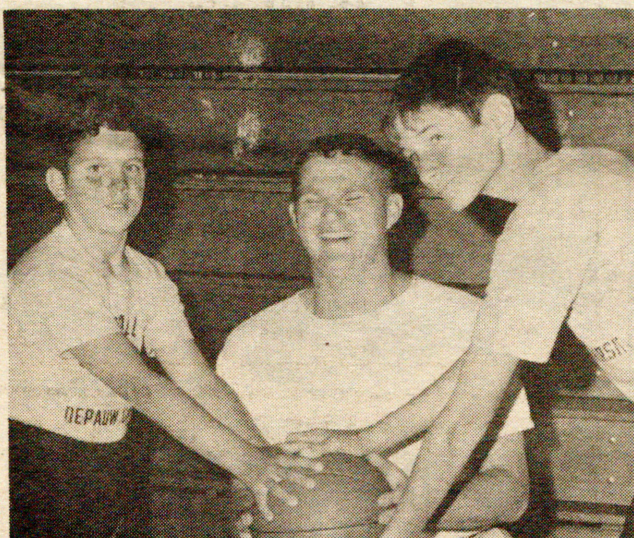

Regular 100-target event and the trapshoot doubles will be completed in one day.

Entries for the trapshoot should be made on or before July 18 with the Illinois Agricultural Association, according to Roy Will, association assistant secretary and sports festival manager. All shooters must be registered not later than noon of the trapshoot day. Shooting

will begin at 11 a.m.

Trophies will be awarded to winners of 11 classes. Classes are slated for men and women singles, family, junior (18 years or under), brothers, husband and wife, old timer (65 and over), five man A team, five man B team, trap doubles and two-man doubles team. A special trophy will be awarded to the high overall winner.

Each county farm bureau is eligible to enter not more than 15 participants, according to Will.

THESE ASPIRING young basketballers have been rubbing shoulders figuratively at least — with the best brains in Hoosier cage circles this week at DePauw University's annual basketball and sports camp. By the time the sixth through ninth graders wind up the week of activity with an honors picnic, they will have learned basketball fundamentals from the coach of Indiana's 1969 high school champions, Bill Green of Indianapolis, plus the head coach of Richmond Ind. High School, Dick Baumgartner, and DePauw's head coach, Elmer McCall. With Edward Meyer, assistant basketball coach at DePauw, are (l to r) Peter Neisius of 638 Hudson, Lockport, and John Banker of Geneva.

Set Fishing Program

ROMEOVILLE — Romeo-ville Recreation Board has set a fishing program, due to the popularity of the last fish out.

Fishing will be held each Saturday and Sunday from 4 to 8 a.m. Daily fees are 25 cents for those under 18, and 50 cents for ages 18 and up.

A rod and reel will be awarded to the fisherman who catches the largest (by weight) fish each weekend.

Fishing will begin Saturday, June 21. Board asks every one to follow these

three rules: no fishing in the beach area, no wading, and no live bait.

The Recreation board is interested in hiring retirees in Romeoville who would like to work three or four hours a day in the shower rooms at Lake Shirley. For information call the recreation office at 838-0208.

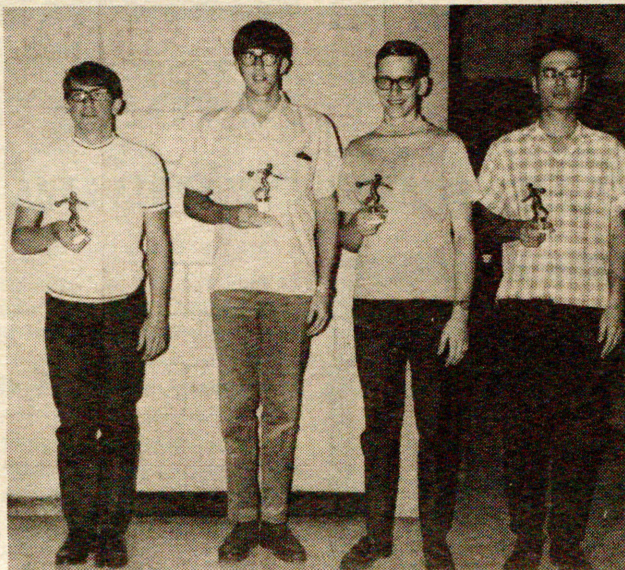

Lake Shirley will be open until August 30. This date has been set so the lake may be cleaned before personnel leave to report back to school, and so residents may attend Labor Day festivities.

Sign Letter Of Intent

Eighteen out-of-state football players have signed the interconference letter of intent with the University of Iowa, Iowa City.

Among these is Paul Jurca, six foot three inch 220 pound guard-end from Lockport. An offensive right end, he made every Illinois all-state team.

Athletic Award

Mark Thomas, a junior at MacMurray College, Jacksonville, Ill., was among athletes honored at the annual banquet. He received a most valuable player award for baseball.

He is the son of Mr. and Mrs. Charles C. Thomas, 725 Rogers Rd.

Pilots And Expos Going Strong In Little League

MRS. EMIL WILLIE
Telephone 469-5277

In Little League play the Lincoln Estates team played twelve games in the past two weeks. The minor league Pilots brought their record to four to three when they won two and lost two. The Pilots beat the Orioles 9 to 5 and the Braves 22 to 0. The last games to the Cardinals 8 to 4 and the Yankees 18 to 15.

The games were featured with the home run hitting of Ty Iles, the catching of Greg Nice who also substitutes as a pitcher, the fielding of Bryan Flynn, Chris Wilson and Wendell Wilson.

The Major league Expos kept their winning streak going by winning five games in a row. The Expos got their first win against the Angeles with a score of 3 to 1. On June 9 the Expos went into extra innings to beat the Twins 3 to 2.

The Expos finally got in a breather at 18 to 5 over the Mets on June 10. On June 12 the Senators felt the sting of bats and the stiff pitching of the Expos in a 5 to 1 contest. On June 17 the Expos met the undefeated Cubs.

Rick Wilson pitched outstanding ball for three innings allowing no runs. Plays

by Tommy Wilson and a combination of team work between Rick Wilson and Steve Bluth and an outstanding throw by Robert White kept the game scoreless.

In the fourth inning Terry Loftus gave up one run on a fluke hit. In the bottom of the fourth Art Fuller and Mike Wolcott singled to put the Expos ahead 2 to 1. In the bottom of the fifth the Expos scored the last run of the game on a heads up run by Franky Zimmerman. Running out a fly ball the first baseman dropped it and when he loafed in getting the ball, Zimmerman went to second then to third, and scored when he drew a wild throw from the second baseman.

In seven games to date, The pitching staff Terry Loftus, Rick Wilson, Ray Hummel, Robert White and Mike Wolcott have given up 18 runs with 8 of them being scored in the first two losses and 5 in an 18 to 5 winning cause.

The batting of Art Fuller, Mike Walcott, Pokey Staton, Terry Loftus and Steve Bluth have provided the punch while the running of Tommy Wilson, Frank Zimmerman, Robert White, Rick Wilson,

Roy Robertson, Terry Vaughn, Bobby McCarter and Tim Loftus has been something to behold.

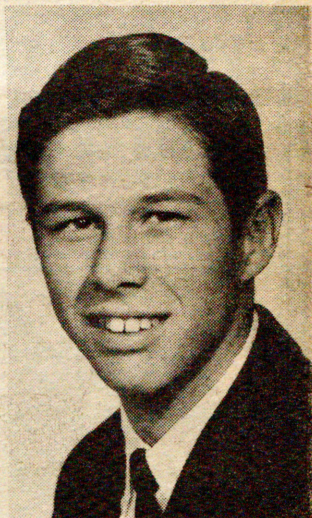

The people of Lincoln Estates can see the Pilots play at the Mokena Park on June 25 and 30 and July 2. The Expos play at the Mokena Park on June 24 and 26 before getting a days rest on July 1. They continue on July 7 meeting the Angels at the St. Mary's school.

Ben Frankenberg and Mr. and Mrs. William Frankenberg and Terry spent Fathers day with the formers daughter, Mr. and Mrs. William Franslow at Chicago.

Mr. and Mrs. Norman Robertson of Bakerstown, Pa. are spending a couple of weeks with their son, Mr. and Mrs. Roy Robertson. On Fathers day they were joined by Mrs. Robertsons parents, Mr. and Mrs. John Byrn, of Lockport.

About forty friends and neighbors of Mr. and Mrs. Charles Jones gave a surprise going away party for them following their auction on Sunday June 15. They

BLAKE TEKOTTE

Is Selected Pop Warner Runner-Up

MOKENA — Blake Tekotte, son of Foster Tekotte, 9455 Hickory St., Arbury Hills, Mokena, has been selected as a runner up member of the 1969 Pop Warner All American Team of Little Scholars.

Blake played four years on the Mokena Burros football team, coached by George R. Krueger, of the George Halas League. Blake was treasurer of the 8th grade class at Arbury Hills School and received awards for academic record, achievement and attitude. Blake also enjoys such sports as baseball, basketball and soccer.

He was voted most important player for the Burros. Office of the Pop Warner Junior League Football organization explained that by their actions each boy chosen as a member of the 1969 Pop Warner second team has demonstrated high qualities of scholarship, leadership and athletic ability.

A frightening 13-car pile-up on the first lap of the Rex Mays Memorial 150-mile race on Sunday, June 8, at Milwaukee, almost cost the life of Gary Bettenhausen, veteran race driver of Tinley Park.

A mechanical failure in the car of Art Pollard threw him crossways in the center of the track. With cars skidding all over the track, Bettenhausen found himself high in the air, flipping end over end and coming to rest upside down in the infield grass with his Thermo-King turbo Offy completely wrecked.

Fortunately, no fire resulted and some of the other drivers lifted the car and pulled Gary out.

Strangely, Art Pollard,

whose car started the pile-up, ended the day by winning the race when he took over the car driven by his

teammate Greg Weld. Pollard trailed another teammate Mario Audretti until the 90th lap when a burned valve

slowed Audretti.

Pollard then moved into the lead and never relinquished it.

Fresh 'n Refreshing MILK

MILK—Often called "nature's most nearly perfect food," fluid whole milk contains all recognized vitamins and many essential minerals. Vital for good nutrition, it contains both the fat and solids-not-fat parts of milk. Homogenized milk has its fat globules dispersed throughout the liquid. Chocolate milk is whole milk with added sugar and chocolate.

BUTTER is churned cream. It contains, by law, not less than 80 percent milk fat. It may or may not contain salt. The butter of highest quality is made from sweet cream. Most butter sold at retail bears the USDA shield mark and letter grade, U.S. AA or A.

CHEESE is available in many forms, flavors and textures to suit every taste and occasion. Natural cheeses are usually made from whole cow's milk. Process cheese is made by blending and pasteurizing fresh and aged natural cheese.

ICE CREAM is made by freezing while stirring a pasteurized mixture of milk, cream, sugar, and stabilizer. It is flavored with extracts, fruit, chocolate, or nuts. Air is whipped into ice cream during freezing to increase its volume 80-100%.

Cheaper in the long run.

Gas will never cost you much. (You'll get up to 27 miles to the gallon.)

And the amount of oil you use is like a drop in the bucket. (It only takes 2.7 quarts and almost never needs more between changes.)

And the engine is air-cooled, so you don't have to spend a red cent for antifreeze or rust inhibitors.

And you get more than your money's worth out of a set of tires.

But don't think buying a new Volkswagen is just another get-rich-quick scheme.

You have to wait until the second set of tires wears out.
